The 3 pieces are available in a variety of sizes which can be mixed to give the best fitting harness. The top piece is available in different colours of fleece. You can replace individual pieces as your dog grows or swap in different colours of top. There is an extra D loop on the front of the harness for attaching a double ended lead to give you more control – see my website for details. If you would like me to fit a harness, please advise breed, age & chest size (under armpits & over back) of your dog as guidelines. There are 2 piece tiny harnesses for very small dogs.
